Financial Agreement

Tax ID #33-0676831 NPI #1942799523

We welcome you to our office and would like you to know that we are committed to providing you with the best possible medical and surgical care. To achieve these goals, we need your understanding of our financial policy.

It is the responsibility of the patient to know and understand the policies and benefits of their insurance plans. This includes co-payments, deductibles, contracted providers (Physicians, hospitals, laboratories, radiology, etc.) and the current claims address. Your insurance is a contract between you and your insurance company. We cannot be held responsible for information received when verifying insurance benefits since it is not a guarantee of payment or eligibility. We **strongly encourage** you to contact your insurance company to confirm benefits and coverage.

As a courtesy, our office will bill your insurance company for the services provided. Please present your insurance card(s) for each of your insurance carriers at the time of your visits. If there are changes to your insurance plan(s), please inform us immediately. Please be prepared to present your insurance card(s) at every visit.

The following is a summary of our financial policy:

- * **PPO Plans**: We have agreed to contract with several insurance companies but not all. Your deductible, coinsurance, and co-pays are your responsibility and are due at the time of your visit/surgery.
- * **Medicare**: We accept assignment from Medicare. Medicare pays 80% of the allowed amount after satisfaction of the annual deductible. We will bill your secondary insurance (if any) for the remaining 20% of the Medicare allowed payment as a courtesy. However, you are responsible for the balance regardless of payment from a secondary insurance.
- * HMO Plans (Greater Newport Physicians/Hoag Physicians Partners): All co-pays must be paid at the time of your visit. Due to contractual and uniform compliance issues with your insurance company, there are no exceptions to the policy of collecting co-pays at every billable visit. You are responsible for obtaining approval for treatment with your Medical Group or PCP prior to treatment.
- * Cash Patients: Payment is due in full at the time services are rendered.
- * We accept cash, checks, VISA, MASTERCARD, and DISCOVER CARD.

A \$ 25.00 charge will be applied for any returned check.

If you have any questions about the above information, please do not hesitate to contact our billing department.

I have read and understand the office policy stated above and agree to accept responsibility as described.
